Capital Credit Checks Mailed

How Do Capital Credits Work?

Because electric co-ops operate at cost, any excess revenues, called margins, are returned to members in the form of capital credits.

Source: National Rural Utilities Cooperative Finance Corporation

Capital Credit checks were mailed out on Friday, December 16th for the Final allocation of 1994 and the 1st allocation of 1995. Make sure to keep your mailing information up-to-date in order to receive your capital credit check. All unclaimed capital credits are held for two years and will then be donated to the Roosevelt County Electric Education Foundation if not claimed within that time frame.

Residential Deposits

For residential consumers a deposit equal to 1/6th of the estimated annual billing is required if the account becomes delinquent three or more times in one year.
